

## Corporate Catering

## We will make the effort... so you can do the entertaining

We are a bespoke Catering company operating in Nottinghamshire and the surrounding counties. Gail Dandy Catering started 6 years ago after Gail had run a successful delicatessen and cafe in Southwell for 7 years.

Gail Dandy Catering offers you a specialist, quality and intimate approach to catering. You will speak to Gail regarding your requirements and she will guide you to ensure you get exactly what you want.

Gail Dandy believes in high quality, fresh ingredients delivering you a no compromise service at surprisingly affordable rates.

You will always be able to contact Gail to discuss any amendments you wish to make. The personal approach taken by Gail Dandy allows for a level of flexibility not usually associated with catering of this quality.
